Another busy term is upon us and there’s heaps going on. The P&C is busy as usual raising funds, running the canteen and selling uniforms. Thanks to everyone who supports the P&C and the great job they do, to support the kids and MPS.

A word from the President – resignation!

Hello All,

Just a reminder as I mentioned at the assembly, I am stepping down as P&C President at the end of the year. What does this mean for the P&C? It means that the position needs to be filled in order for the P&C to function. If your child wears a uniform to school, uses the canteen or enjoys not getting rained on in the Early childhood area, or has nice gazebo’s to sit under during sports carnivals, then please be aware the P&C makes these things happen. Without a president, there will be no uniform shop, no canteen and no fundraising for things we need in our school for our children. So, if you feel compelled, contact me and I will be more than happy to let you know the ins and outs of being President. It’s not much.

You chair meetings, sign cheques, talk to your committee, make sure the Principal is informed and basically represent the views of the committee to the school community. Please think about the future of our school and how you may help.

If you don’t want to be president, then think about other roles in helping on fundraising days, like father’s day coming up. I think my job as President is made very easy as I have a wonderful P&C committee who work hard to make things positively happen for their school and I’m proud to be part of the P&C team.
