A Note From The President

The P&C is run by a group of passionate volunteers who come from all different walks of life, and relies on parents, grandparents and carers from within our school stepping forward and being involved. The P&C does contribute greatly to every child’s education at Mundaring Primary School and is an invaluable source of support for the school. We are always actively looking for members to join us. The saying “A volunteer may not have the time but they have the heart” is so very apt in this day and age when we are all very busy with work and family commitments but if we all put in just that little bit it does help to avoid volunteer fatigue and helps us all band together as a strong school community. As our community banded together during the devastating local fires, we need to keep that momentum going and help each other out, even if you can only commit to a small amount of time it shows you have a heart! Please join us at our next P&C meeting on Monday 23rd November, 9.15am in the school library.

Fundraising

We would like to say thank-you to everyone for their support of our fundraising efforts. This year we have contributed funds to:-

- A nature playground for the Kindy/Pre-primary area
- Part of the cost of providing term 3 & 4 Sonic Learning Fast 4 Word program
- BUZ program for Middle Primary, years 3-5
- Funding for development of a lunchtime science club
- Sculpture in the School art and craft supplies
- Replacement reading resources for the whole school
- Replacement maths resources to support the Envision Maths program

Thank-you to all those who contributed to and ran our term 3 events - The wood raffle, Bunnings sausage sizzle, Fathers Day stall and P&C sports day cake stall.

We now have a P&C advertising directory page where we will be listing local businesses for a fee. If you are interested in listing please contact us for further information.
