## Mundaring Primary School P&C Parent Information for 2018

This newsletter aims to introduce the Parents and Citizens Association (P&C) to new members of the school community by outlining the roles of the Mundaring Primary School P&C, how it functions, what service it provides and how you can get involved.

The P&C Associations are established under the *School Education Act 1999* for the purpose of supporting a strong government school system for the benefit of all students. They are the forum for the parents and citizens in government schools who have an interest in their children's education.

Your P&C comprises of the parents and guardians of children attending Mundaring Primary School as well as other interested persons over the age of 18 years, who have paid an annual subscription of \$1. For school families, this can be paid with the voluntary contribution or school book payments. The principal is an ex officio member.

### Aims

- Cooperation between parent, teachers, students and members of the general community
- Assisting in the provision of resources, facilities and amenities for the school
- Encouraging communication, cooperation and participation within the school community
- Encouraging participation in the school's educational policy
- Providing a forum of discussion on school issues and gathering of ideas
- The fostering of community interest in education

At Mundaring Primary, the P&C is interested in actively promoting a strong and vibrant school community with open, transparent lines of communication, so to provide our children with a first class learning environment.

The success of this depends on the involvement of you and the wider school community. All members/non-members are welcome to get involved.

This does not mean you have to take on an official role.

### Communication

Information is posted on the school website and on our Facebook page. You are welcome to email suggestions and join the Facebook group for any updates.

### Meetings

The P&C meets Mondays, twice a term (usually week 2 & 8) in the school staffroom. Meetings start at 7.30pm. Dates are posted on the school website and Facebook page and also advertised in the newsletter which goes home.

Financial members (\$1) are able to vote on all motions and all attendees are encouraged to contribute to discussions. A spread of parents from throughout the school helps ensure decisions made are unbiased, and benefit all.

The more people involved, the easier it becomes to create a wonderful school community. It's also a great way to meet other parents.

**We look forward to seeing you at a one of our meetings.**
